In order to participate in Dance Montage 2017 Auditions, the Dance Division in the School of Creative and Performing Arts, has developed guidelines. Your dated signature serves as record that you understand and agree to abide by these terms. This form must be submitted in-person prior to auditioning. Thank you.

Terms of Agreement – Auditions

- I will only audition in works that I am prepared to accept casting in.
- I will only perform in up to two pieces, even if I am offered additional roles. I will notify all choreographers of my decisions as soon as possible, or by Friday Sep. 1, 2017.
- I will act respectfully of everyone around me, and attend to my own health and safety.
- If I am late, I will not be able to participate in auditions or be cast.

Terms of Agreement – Rehearsals (If offered a position)

- I will not miss rehearsal or be habitually late. Choreographers have the right to eliminate a dancer from their cast or limit their role for unexcused absences or lateness. Promptly communicate anything preventing you from attending rehearsal to your choreographer.
- If I am removed or drop out after accepting casting, without good cause (i.e. injury or illness), I will not be eligible to be cast in Montage the following year.
- I will attend all scheduled rehearsals, showings, technical rehearsals, dress, and performances.
- I will attend all pre-show warm-ups for dress rehearsal and performances. I will remain in the theatre for the final cast bow after dress rehearsal and all performances.
- I understand that I may be removed if I fail to uphold my attendance, participation, or respect.

Dance Montage Includes many artists, technicians, and personnel to make the show possible, and I will do by my best to be a positive, helpful, and respectful member of this team at every stage.

I have read and agree to the above **Terms of Agreement**.
