With regard to participation, classes are considered equivalent to assignments. Thus, more than 2 absences per week will have an adverse effect on your final grade.</p> <p>If you show up late for or leave early from class, this will be counted as half an absence.</p> <p>If for some reason you are feeling unwell during class time, a substitute form of participation may be arranged; however, <i>you may not obtain this privilege more than once</i> and you will receive half an absence.</p> <p>For studio courses, if you opt out of full participation and choose to sit for a portion of the class, this will be counted as non-participation and will be marked as half an absence.</p> <p>Students are responsible for any and all material missed during an absence.</p> <p>If you sustain a significant injury during the term that will impact your participation for longer than a week's worth of classes and if this injury is verified by a medical practitioner's note, your case will be submitted to the Dance Division Committee to address your situation.</p>
